# UNION NOTICE

## TO ALL MEMBERS

## COVID-19

I want to begin by thanking each and every one of you for your extraordinary hard work during this very difficult time.

Your safety and the safety of you family remains our priority.

I am urging all of you to continue all of the recommended safety precautions.

**Please wear masks on the job and when out in public.**

Metrolinx continues to ignore the global recommended use of mask for the frontline workers.

ATU Members are falling ill and dying at an alarming rate across North America.

If you feel that your personal safety is at risk while at work, you may follow the recommendation of the Ontario Occupational Safety Act. You can contact your Supervisor, Union Representative or Union Office.

Please stay safe and healthy!

**TOGETHER WE FIGHT – TOGETHER WE WIN!**

In solidarity,

Manny Sforza  
Trustee
